10. EXTERNAL UPDATE

- School board offered 'scope of work' paperwork they received from Sullivan, Powers & Company, Stata to contact.

11. REAPPRAISAL- UPDATE

- Spaulding- Vickery and Stearns have few site visits left. Labrecque & Spaulding have Sunset Rock Campground done, as of 11/1/17 Labrecque & Spaulding have done 126 sites at Lakehurst. Spaulding & Labrecque
- After pushback about lister's doing evaluations on campgrounds prompted comparison data as follows:
- Listers (Spaulding & Labrecque)
Approximately 20 hours combined (50 site visits/data entry)= \$300.00
- VT Appraisal company
Approximate price for same scope of work(50 site visits/data entry)= \$4250.00

VT Appraisal told listers they were glad to not have to do the campground, because they originally thought it would just be looking up trailers in the NADA book, but they had no sales data, which Lakehurst had been collecting over the years. Listers remeasured all campers, add-ons, decks etc.

The last time to town did a re-val they assessed 182 out of 240 incorrectly as they have no sales data for campgrounds so have no way to set values.

12. DISCUSSION OF 911 ADDRESSES

- Tiedgen originally offered to work with Vickery, but realized it was more work than originally thought. Stata to speak with Tiedgen about whether he wants to forfeit 911 coordinator position.
- Yartz suggested to bring issue up to fire company, being it is in interest to them.
- Turner & Noble willing to work together on getting 911 addresses fixed.

13. CANNON UPDATE- None.

14. OTHER BUSINESS

- Tuck questioned having flagpole fixed. After library property being surveyed finding flagpole is on library land BUT owned by town, board decided to submit letter stating the pole to be turned over to library.
- Light pole outside needs repair--To call power company.
- Zera wanted to formally thank Library for another great haunted house.
