My name is Terrance Tuck and I have been a Mason in the Isle La Motte lodge for a number of years. At present I am the master of the lodge. It has come to our attention that at the last select board meeting that Ms. Jensen stated that the Masons were going to pay to move the Isle La Motte sign. Ms. Jensen had not presented a proposal regarding the sign to the Masons at that time. The proposal she final presented is out of the Question. There is not enough room for what she has proposed and as it is a cemetary you can't just dig it up. Also you may have to get permission to do anything from the legislature. The cost of her proposal (6,000.00) Is also out of the question. Thank You
