Anne Jobin-Picard:

Reviewed that Carmine Centrella will post our events to FPF and Facebook.

## **Committee Members:**

### **Completed tasks:**

Created an inventory list of items the ILM recreation committee received from GISU as they disbursed items from former ILM school property during the month of May 2023.

Has two locked (combination locks) storage boxes in the park that contain recreational equipment.

Set up a volleyball/badminton net in the park.

Placed two sets of horseshoes at the horseshoe pits in the park for public use.

Inflated balls for public use(football(1),basketballs(2),kickball(1))

**Next tasks to be completed:**

Carmine Centrella will speak with Select Board members to discuss guidelines for appropriate posting of ILM Recreation Committee events in the park.

Ann Jobin-Picard will obtain a price quote for fencing around the pickleball court.

Mary Brennan-Centrella will research safety codes specifically related to swings and slides in public parks.

Recreation committee members will be present and have requested to be on the agenda at the next Select Board meeting on June 7, 2023. Among talking points to be discussed will be:

- Vandalism in the park.
- Fundraising raffle of four coaster style bikes to benefit the ILM recreation department.
- Request that landscapers not park equipment on the pickleball court.
- Request that the fallen tree limb be removed from the park.
- Rec department budget funds; do they have any restrictions?
