### Administrative Work:

Budget request for 2024 will be \$3,000.00.

Preliminary considerations for use of funds are ensuring Veteran's Park is safe and code compliant for all who use. In addition, items currently in the park will be a priority for refurbishment and completed as funding is available.

### Budget monies potentially used to:

Upgrading swing components

Refurbishing horseshoe pits

Soccer net replacement

Lawn bowling supplies

Mulch (as needed around slide landing and swings per code for parks and playground areas)

Andrea Carbone and Jen Wayboda will work on getting estimates for supplies needed.

### Planning:

A.

An idea list of activities for ILM has been created based on input to this committee and we will also be getting input from the Town Planning Commission survey feedback.

See attached working idea document for what has been considered to date.

Please note these suggested entries will need local champions to be the lead for activity ideas.

B.

Anne Jobin- Picard will investigate how we can partner with the ILM Library for future projects.

C.

The Recreation Committee will make Select Board aware that budget assessment for ILM Veteran's Park upkeep will need to be planned for.
