- Town Water Damage: There are three companies to install shut off valves when there might be leaking water and/or water running too long like in a bathroom is detected. The companies are CSI, Elite and Chevalier. The companies are close in amounts. The need for the shut offs to be done is urgent for the selectboard. The three companies are going to be notified as to a 14-day time frame for the job. After a discussion within the board MaryCatherine made the motion to give Peter

Brzozowy permission to enter into contract with the best time framed company to complete the job, seconded by Pat Treckman, all in favor, yes.

- NRPC – technical assistance for heat pumps and lighting. Marlena Valenta to speak via zoom. It was a very knowledgeable and interesting report on the many things the town can be helped with like heat pumps, battery back-ups for emergency shelter, lighting (needing to know the number of lights, wattage, size and LED preferable). Toby will be notified of that info needed. Finding resources for the funding of these projects. MaryCatherine will be the liaison with Marlena. The projects need to be completed by the end of December 2025 for this funding resource.
- 250th Anniversary Celebration – Andrew Whipple was present at the meeting, and he is the state liaison for the 250th Anniversary. He talked about outdoor event being May15 through Oct 15th. Discussion about this being a Signature Celebration! If there is any group or individual with interest, please contact the Town Office with a written that you are interested in doing. Andrew Whipple said that you could also (informally) contact him with ideas or questions.
- E-mails: Discussion on the e-mail for the Emergency Management for Carmine that Andrea is going to update. More discussion on E-mails in general. The Selectboard wants to look at the list of people having emails being payed for by the town and update this list as well.

ROADWAYS:

- Road Grading: Robin contacted (5) contractors and heard back for (1) Frank Boyle. His bid was for \$3,500.00 this grading is no sod removal. Just grading the roads. Fixing what we can for now. Motion made by Peter Brzozowy seconded by MaryCatherine Graziano, to accept the bid from Frank Boyle, all in favor, yes.
- Tree Cutting: Sea Wall for the Fall. Robin marked 14 trees with orange squares for cutting. Some are to be done asap. Vt. Electric is going to be contacted to see if they can help us in respect to electricity poles and wires.
- Paving will be done on the New Road/West Shore.
- Steel Plates: Motion made by Peter Brzozowy to purchase steel plates in the amount of \$2025.00 including delivery seconded by Pat Treckman, all in favor, yes. The Town will be using these plates in many other projects on our roads.
- Robin noticed 7 culverts for jetting. Four being on the main road. John Littlefield will be looking at these four culverts with Robin and will be coming up with a plan.
- The Discussion of Work Phones: Joe Deller feels that anyone that is a regular employee with the town should not have to use their personal phone. Discussion of town business being on personal phones is not safe. Rural Solutions will be

contacted about the phones and costs. MaryCatherine Grziano made a motion for RC Robin Gutierrez to have a new track phone now, seconded by Peter Brzozowy , all in favor, yes.

- Discussion about delineators to purchase for our road work safety.
