Call to Order: Meeting was called to order at 6:01 by Chair, Cary Sandvig

Approval to hire Oliver Painting to paint the remaining rooms of the building:

- Chair, Cary Sandvig explained to all present that the meeting was being held to discuss hiring Oliver Painting to paint the walls in the remaining rooms that will be used as a Town Office.
- Assistant Clerk, Karen Brunner explained to all present that the work performed thus far by Oliver Painting has been exemplary and they have been more than accommodating to the needs to the town.
- Karen also explained that they have a small window of time that they will be available as they only have a few weeks before they are booked out for months.
- The quote to paint all of the rooms in the building that are going to be utilized was \$27,900 of which, they have already completed \$9,500 of the work that was previously authorized. The remaining balance is \$18,400.
- The quote covers prepping the walls, priming and painting two coats on the walls and the trim in colors chosen by the town staff.
- Peter Brzozowy explained that the other contractors that Karen Brunner reached out to, either didn't respond or didn't show up when they said they would.
- Mary-Catherine Graziano presented a spreadsheet to all present that broke down what insurance money has been allocated out and what is still remaining for the work to repair the flood damage and it appears that there are still funds available to complete the work that is needed due to the flood, therefor there would not be any "out of pocket" funds needed to complete the work.
- Meredith Vincent motioned to approve the expenditure of \$18,400 to hire Oliver Painting to finish the areas of the building that will be used as a town office – seconded by Mary-Catherine Graziano – all in favor – motion carried.

Other Business: No other business was addressed.

Adjourn: At 6:12PM, Mary-Catherine Graziano motioned to adjourn – seconded by Meredith Vincent – all in favor – meeting adjourned.

Donna L. Bohannon
